## Grace Lutheran of Winchester

8396 Steeple Hill Drive, Larsen, WI 54947

An interesting thing has happened with regard to what used to be weekly announcements from this link on the Grace Lutheran Web site. There doesn't seem to be a good way of presenting the announcements in the same way they were presented in the past.

You have some options.

- Come to church and read the announcements on the projected screen in the sanctuary prior to the service each week.
- Come to church and listen to the announcements at the beginning of the services.
- Visit the Gathering Space and read the announcements on the scrolling announcement board in that area.
- Read the mostly current announcements in the current newsletter that is linked to the Grace Web site. (Remember that this is published monthly, so it is possible that toward the end of the month, more recent announcements will be available in some of these other locations.)
- Read the weekly calendar and Pastor Connie's announcements at the back of most worship bulletins.
- Read the few announcements that will appear each week on the News and Events page of the Grace Web site. (I will try to keep that more current.)
- Check the weekly calendar information on the News and Events page of the Grace Web site.
- Check the monthly calendar for the most current month that is linked to the Grace Web site.

For now, this is the best I can do. If you have some good ideas about how to improve the situation, please let me know. — Mary Alice ([malice@boku.net](mailto:malice@boku.net))
